“I was introduced to Grasta and her wig studio while coordinating my wife’s funeral. Grasta’s heart is as big as the moon and she helped make my wife be able to be herself in front of everyone one last time. Thank you so very much!”

“I just want to let you know how much I appreciate the effort & experience you put into my hair replacement. It does fit my head properly. Your technique of measuring my head size was so perfect. You know what you are doing. I do not even know it’s on! My coworkers complimented ‘I like your hair! What have you done? It looks great!’ I smiled and said, ‘I found a new stylist!’ I feel like a new woman again. Sharon, you are the best, as there is no one like you. You are very compassionate and understanding. I just can’t say enough about Grasta’s Beauty And Wig Studio. I definitely will be back.”
